

0.5 lb Ball Pein Hammer with Fiberglass Handle

This ball pein hammer features a forged steel head for durability. The shock-absorbing fiberglass handle ensures a comfortable grip and reduces fatigue.

Product Overview

Professional Grade Ball Pein Hammer

This 0.5 lb ball pein hammer is engineered for precision tasks, including shaping metal, riveting, and striking punches or chisels. Featuring a forged steel head, it offers exceptional durability for demanding work environments. The fiberglass handle is designed to provide a shock-absorbing, comfortable grip, significantly reducing user fatigue during extended use.
