Overview

Compact Performance

This 0.7-ton compact wheel loader is engineered for versatility and reliability in confined working environments. Featuring a robust frame design and an ergonomic cabin, it ensures operator comfort and high productivity even in challenging conditions. With advanced hydraulic controls and a quick hitch system, it is an ideal solution for construction, landscaping, and agricultural tasks requiring precision and efficiency.

Performance

Rated Load Capacity	0.7 ton
Maneuverability	Small Turning Radius, Articulated Design

Operator Environment

Cabin Comfort & Visibility

- Vibration absorbing seat
- Panoramic floor-to-ceiling tinted glass
- Large resistance steps for easy access
- Ergonomic pilot joystick controls

Safety & Control

Safety Systems

Rear-view Camera • Color Display

Efficiency

Quick Hitch System	Yes
Attachment Compatibility	Supports multiple hydraulic attachments for versatile job-site applications
