

# 10-Inch Industrial Exhaust Fan

This 10-inch industrial exhaust fan is designed for efficient ventilation. Featuring a robust metal housing and aerodynamically optimized blades, this fan delivers high-volume airflow with minimal noise.

## Product Overview

### Industrial Ventilation Solution

This 10-inch industrial exhaust fan is engineered for high-efficiency ventilation in demanding environments such as factories, workshops, and warehouses. Featuring a robust iron housing and aerodynamically optimized blades, it delivers consistent high-volume airflow while maintaining minimal noise levels. The enclosed motor design protects against dust and debris, ensuring reliable, long-lasting performance in challenging conditions.

## Technical Specifications

### Available Sizes

- 250mm
- 300mm
- 350mm
- 400mm
- 500mm
- 550mm

### Available Colors

Zinc • Red

<b>Model Number</b>	APK-10(ZT)
<b>Material</b>	Iron

## Logistics

<b>Place of Origin</b>	Guangdong, China
