Overview

Compact Power Solution

This 10000mAh portable power bank is designed for reliable, on-the-go charging of mobile phones and tablets. Featuring a dual USB output configuration and a durable polymer battery, it provides efficient power delivery for multiple devices simultaneously. Its sleek, compact form factor makes it an ideal accessory for travel, business trips, and daily commuting.

Technical Specifications

Battery Capacity

10000 mAh
Capacity

Battery Chemistry	Polymer battery
Input Power	5V/2.1A
Output Power	5V/2.1A

Connectivity

Input Interfaces

- Micro USB
- Type-C

Output Interfaces

- 2 x USB-A

Features

Product Highlights	Dual USB Output, Portable Design, Fast Charging, LED Indicator
