65 W

Option 2

100 W

Option 3

Electrical Characteristics

Parameter	Value
Voltage Rating	110V/220V~50/60Hz
Electric Current	450mA / 600mA
Radiation Wavelength	160nm/1850nm

Dimensions & Models

Model/Power	Product Size (cm)	Packing Size (cm)
38W	20x14x44	24x19.5x47.5
65W/100W	20x14x55	25x20x63

Features & Control

Remote Control Features

- 20M Range (Wall penetrating)
- 15/30/60 Minute Timer
- 30s Delayed Start
- Infrared human induction radar

Smart Control Compatibility

Google Home, Amazon Echo

Ozone Function

Yes
