

1010W Angle Grinder with 115/125mm Wheel Compatibility

This angle grinder is designed for cutting, grinding, and polishing various materials. It features a 1010W motor and is compatible with 115mm and 125mm grinding wheels.

Product Overview

Professional Performance Angle Grinder

This 1010W angle grinder is engineered for demanding cutting, grinding, and polishing tasks across a variety of industrial materials. It offers versatile wheel compatibility for both 115mm and 125mm discs, ensuring adaptability for different project requirements. Designed with the professional user in mind, its ergonomic build minimizes fatigue during extended operation, while integrated safety features provide reliable performance in rigorous work environments.

Technical Specifications

Rated Input Power

1010 W

Power Rating

No-Load Speed	3000-7500 or 7500 rpm
Wheel Diameter Compatibility	115mm, 125mm
