

105L Slim Profile Ice Cream Display Freezer

This 105L slim profile ice cream display freezer is designed for efficient storage and display. Its compact design makes it ideal for locations with limited space.

Overview

Compact Display Solution

This 105L free-standing slim ice cream freezer is engineered for the efficient storage and eye-catching display of frozen treats. Its space-saving, slim profile makes it an ideal choice for retail locations or cafes with limited floor space. The unit combines high-visibility glass door design with energy-efficient cooling technology to ensure your products are both accessible and perfectly preserved.
