

1080P Outdoor Security Floodlight Camera

This 1080P outdoor security floodlight camera offers comprehensive surveillance. It features smart lighting, remote monitoring, and motion detection capabilities.

Product Overview

The integrated 1080P camera and dual 3000K floodlight system for comprehensive outdoor security.

Professional Outdoor Security Solution

The 1080P Outdoor Security Floodlight Camera is a comprehensive surveillance solution designed for both residential and commercial properties. It integrates high-definition wide-angle video with powerful 1800LM floodlights to ensure superior visibility and deterrence. With features like two-way talk, motion-activated alerts, and a 110DB siren, this weather-resistant system provides reliable 24/7 security and remote monitoring via smartphone.
