1080P Outdoor Security Floodlight Camera

This security camera combines outdoor lighting with smart surveillance features. It captures 1080P high-definition video and integrates floodlights for enhanced visibility at night.

Overview

The GF-L300 features integrated floodlights and a high-definition camera for comprehensive outdoor surveillance.

Smart Outdoor Security Solution

This 1080P Outdoor Security Floodlight Camera combines high-definition surveillance with powerful motion-activated lighting to protect your property. Featuring a wide-angle lens and integrated PIR sensor, it provides comprehensive coverage and instant mobile alerts. The weather-resistant design and two-way audio make it an ideal choice for reliable, year-round outdoor monitoring.
