Product Overview

High-Performance 11-Speed Cassette

This 11-speed road bike freewheel cassette is engineered for smooth, precise shifting and efficient power transfer across diverse terrains. Featuring Super Fluid Drive technology and durable construction, it provides reliable performance for demanding cyclists. The cassette is available in multiple gear ratios to suit various riding styles and drivetrain requirements.

Technical Specifications

Available Finishes

Black Chrome • Metallic Silver

Chain Compatibility

11 Speed

Lockring Torque Requirement

40 N·m

Construction Materials

Hi-Tensile Steel Sprockets, Aluminum Spider, Aluminum Spacers, 6061 Aluminum Lockring
