

Design & Features

Key Features

- High over-current protection capability
- High breaking current capacity
- High industrial frequency withstand voltage
- Robust mechanical strength
- Corrosion-resistant components
- Visible indication of fuse operation

Fuse Link Type

Type K

Logistics & Supply

Loading Ports

- Ningbo
- Shanghai
- Any port in China

Packaging Configuration

1 unit per foam-lined carton, palletized for shipping

Standard Delivery Time

35 days

Available Shipping Methods

Sea Freight, Air Freight, Express Delivery
