

# 1200mm Industrial Ceiling Fan

This 1200mm industrial ceiling fan is designed for efficient air circulation in various settings. It features a robust motor for reliable performance and durable blades for optimal airflow.

## Product Overview

### Industrial-Grade Air Circulation

This 1200mm (48-inch) industrial ceiling fan is engineered for high-performance air circulation in demanding environments. Combining a robust motor with durable blade construction, it delivers reliable airflow suitable for both large residential spaces and industrial facilities. Its versatile design ensures consistent performance for ventilation and cooling needs.

## Key Specifications

### Performance Features

- Robust motor design
- Durable blade construction
- Optimized for high-volume airflow

Fan Size	1200 mm
Fan Size (Imperial)	48 inch
Application Compatibility	Industrial, Household
Product Category	Electric Fans
