

1200W Professional Hair Dryer

This professional hair dryer features 1200W of power and is designed for AC220V voltage at 50Hz. It is packed individually at 48 pieces per carton.

Product Overview

Professional Performance

This 1200W professional hair dryer is engineered for efficiency and reliability in salon or home settings. Designed for standard AC220V power grids, it offers consistent airflow and temperature control. The compact design and robust construction make it an ideal choice for bulk sourcing and retail distribution.
