Overview

High-Efficiency Outdoor Illumination

This 120W LED flood light is engineered for robust outdoor performance, delivering a powerful 18000Lm output. With a durable aluminum housing and an IP66 weatherproof rating, it is built to withstand harsh environmental conditions while maintaining excellent thermal management. This unit offers a reliable solution for security, landscape, and general area lighting needs.

Technical Specifications

Luminous Efficiency

150 lm/W
Efficiency

| | |
|--------------------|-------------|
| Power | 120 W |
| Input Voltage | 100-277V AC |
| Total Lumen Output | 18000 Lm |
| Color Temperature | 5500-6000K |

Physical Properties

| | |
|--------------------|--------------------|
| Housing Material | Aluminum |
| Product Dimensions | 394 x 394 x 56 mm |
| Carton Size | 440 x 420 x 115 mm |
