

12.1-Inch Industrial LCD Monitor

This 12.1-inch LCD monitor features a high-strength aluminum alloy panel with a stylish design. It offers versatile installation options compatible with VESA, wall mount, and wall-embedded setups.

Overview

Industrial-Grade Display Solution

This 12.1-inch industrial LCD monitor is engineered for reliability in demanding environments. Featuring a robust steel chassis and support for both VESA wall and embedded mounting, it integrates seamlessly into various industrial systems. With wide operating temperature ranges and high shock resistance, this monitor ensures consistent performance for professional applications.

Display Performance

LCD Panel Type	AUO LCD Panel (Optional)
Resolution	800x600
Brightness	400 nits
Contrast Ratio	600:1
Backlight Lifetime	50000 hours

Touch Interface

Touch Screen Type	Infrared Touch Screen (Optional)
Touch Resolution	4096x4096
Touch Transmittance	90 %

Connectivity

Signal Inputs	VGA, DVI, AV Input, Video Input, Audio Input
Touch Connectors	USB, RS232

Power

Power Consumption	36 W
-------------------	------

Environment

Vibration & Shock Resistance

1 G Vibration	15 G Shock
-------------------------	----------------------

Operating Temperature	-20 to 80
-----------------------	-----------

Certifications

Compliance

CE • FCC • RoHS
