

125cc Entry-Level Dirt Bike

This dirt bike is designed for youth and beginner riders. It features a 125cc single-cylinder, air-cooled engine, a manual clutch, and a 4-speed transmission.

Overview

Entry-Level Performance

This 125cc dirt bike is engineered as a robust off-road motorcycle tailored for youth and beginner riders. It features a reliable 125cc single-cylinder engine paired with a 4-speed transmission, ensuring a balanced mix of power and control. With durable steel frame construction, adjustable suspension, and responsive disc brakes, it provides stability and safety across varied terrain.
