

125cc Gas Scooter

This 125cc gas scooter is ideal for urban commuting and short trips. It features a comfortable seat and robust suspension system for a smooth ride.

Overview

The Smash 125cc scooter features a modern design with sharp lines and aerodynamic styling.

Efficiency Meets Style

The Smash 125cc scooter is engineered for urban mobility, offering a perfect blend of power and maneuverability. Featuring a reliable 125cc four-stroke engine and a fuel injection system, it provides consistent performance for daily commuting. Its robust hydraulic front fork and double rear suspension ensure a comfortable ride even in busy city traffic.
