

125cc Single-Cylinder Street Motorcycle

This street motorcycle is equipped with a 125cc single-cylinder engine. It features a classic design with chrome accents, spoked wheels, and a rear luggage rack.

Overview

Classic 125cc Street Motorcycle

This 125cc single-cylinder street motorcycle is designed for reliable daily commuting and urban navigation. Featuring a classic aesthetic with chrome accents and a comfortable stepped seat, it balances traditional style with practical functionality. The inclusion of a rear luggage rack and robust braking system makes it a versatile choice for various transport needs.
