

# 12V 12Ah Sealed Lead-Acid Battery

This is a 12V 12Ah deep cycle AGM (Absorbent Glass Mat) battery designed for general purpose applications. This sealed lead-acid battery offers reliable performance and long service life.

## ADDITIONAL IMAGES

## Product Overview

### Reliable General Purpose Power

This PT12-12 sealed lead-acid battery is engineered for consistent, reliable performance in general-purpose applications. Utilizing AGM (Absorbent Glass Mat) technology, it is designed for a 10-year floating service life at 25°C. It serves as a dependable power source for critical systems such as UPS, emergency lighting, and security equipment.

## Technical Specifications

Rated Voltage	12 V
Rated Capacity (C20)	12 AH
Dimensions (L x W x H)	151 x 98 x 105 mm
Gross Weight	3.45 kg
Design Life	10 years

## Charging Parameters

### Charging Voltage (at 25°C)

**14.7 V**  
Cycle Use

**13.7 V**  
Standby Use

## Construction & Features

### Construction Materials

Component	Material
Internal	Lead and Acid
Container	ABS

### Available Colors

Black • Gray • Dark Gray • Blue • Red • Yellow • Green

### Maintenance

Free Maintenance

## Compliance & Quality

### Certifications

ISO9001, ISO14001, OHSAS18001, CE, UL

### OEM Service

Yes
