

12V 165Ah Lead-Acid Battery

This 12V 165Ah battery is designed for reliable power storage. Its robust construction ensures long-lasting performance.

Product Overview

Reliable Power Storage

This 12V 165Ah lead-acid battery is engineered for consistent and dependable performance in demanding power storage applications. Featuring a robust construction, it is built to withstand rigorous use while maintaining long-lasting service life. Ideal for professional buyers seeking high-capacity energy solutions, this unit combines durability with efficient power delivery.

Technical Specifications

Rated Voltage	12 V
Rated Capacity	165 Ah
Battery Chemistry	Lead-Acid
Model Number	6-QA-165T
