

# 12V 9Ah Gel Motorcycle Battery

This 12V 9Ah gel motorcycle battery is designed for reliable starting power and long life. It is ideal for motorcycles, scooters, and other powersports vehicles.

## ADDITIONAL IMAGES

## Product Overview

### High-Performance Gel Motorcycle Battery

This 12V 9Ah Gel motorcycle battery is engineered for superior starting power and long-lasting reliability. Utilizing advanced gel technology, this maintenance-free unit offers leak-proof operation and exceptional resistance to vibration. It is an ideal power source for motorcycles, scooters, and various powersports vehicles requiring dependable performance.

## Technical Specifications

### Maintenance Status

Maintenance-Free • MF Superior

Rated Voltage	12 V
Rated Capacity	9 Ah
Battery Technology	Gel
Model Identifiers	12N2-BS(GEL), 12N9-BS(GEL), YTX7A-BS(GEL)

## Key Features

### Performance Highlights

**10 HR**

Hour Rating

### Operational Benefits

- Leak-proof design
- High vibration resistance
- Superior starting power
- Visual cell inspection window
