

12V Cordless Drill with Variable Speed

This 12V Li-ion cordless drill is designed for drilling and screw-driving. It features a variable speed motor for controlled operation and a multi-position clutch for adjusting torque settings.

Overview

Professional 12V Cordless Drill

This professional-grade 12V cordless drill is designed for efficiency and precision in various drilling and screw-driving applications. Featuring a high-performance lithium-ion battery and variable speed control, it offers the flexibility needed for both delicate tasks and heavy-duty work. The ergonomic design ensures comfort during extended use, making it an essential tool for professional contractors and maintenance teams.

Performance

Operating Voltage

12 V

Voltage

No-Load Speed

0-350 / 0-1350 r/min

Battery & Charging

Battery Chemistry

Lithium-Ion

Battery Capacity

1500 mAh

Capacity

Charging Duration

1 Hour

Technical Specifications

Included in Box

- 1x 12V Cordless Drill
- 1x Lithium Battery
- 1x Battery Charger (Universal 110V/220-240V)
- 1x Color Box Packaging

Chuck Size Range

0.8 - 10 mm

Logistics & Shipping

Carton Specifications

Metric	Value
Outer Carton Quantity	10 PCS
Gross Weight	14 kg
Net Weight	13 kg
Carton Dimensions (L*W*H)	49 x 38.5 x 21 cm

Export Packaging	Triple Wall Corrugated Carton
