Overview

Versatile 12V Cordless Drilling Solution

This 12V Lithium-Ion Cordless Drill is engineered for high-performance drilling and fastening across various applications. It features a variable speed trigger and an adjustable torque collar with multiple positions to provide precise control and prevent over-tightening. Designed with ergonomics in mind, the lightweight and compact body ensures comfortable handling even in tight spaces, making it an essential tool for professional and DIY projects alike.

Performance Metrics

Key Performance Indicators

12 V

Voltage

23 N.M

Max Torque

1300 RPM

Max Speed

Technical Specifications

No-Load Speed	0-350 / 0-1300 rpm
Drilling Capacity	10 mm

Battery & Power

Available Battery Capacities

- 1.3Ah
- 1.5Ah
- 2.0Ah

Battery Technology

Lithium-Ion • Rechargeable

Design & Features

Core Features	Adjustable Torque, Variable Speed Trigger, Keyless Chuck, LED Work Light, Ergonomic Grip, Compact Design
Torque Control	Adjustable collar with multiple positions for precise fastening
