Product Overview

Compact High-Intensity Illumination

This 12W LED work light is a compact, high-performance lighting solution engineered for demanding environments. Featuring four high-intensity 3W LEDs, it delivers a focused spot beam pattern ideal for off-road, agricultural, and construction applications. The robust aluminium die-cast housing ensures durability and efficient heat dissipation, making it a reliable choice for professional use.

Technical Specifications

Beam Pattern

Spot Beam

Total Power

12 W

LED Setup

4 x 3W High Power LEDs

Operating Voltage

DC 10-30V

Construction & Design

Design Features

- Integrated heat sink fins
- Adjustable mounting bracket
- Compact square housing

Housing Material

Aluminium Die Cast
