

13 HP Gasoline Engine for Agricultural Machinery

This 13 HP gasoline engine is designed for agricultural machinery. It features durable construction and efficient performance, making it suitable for various applications in the agriculture sector.

Overview

High-Performance Agricultural Engine

This 13 HP gasoline engine is engineered specifically for agricultural machinery, offering reliable power for demanding field tasks. Featuring a 210ml displacement and a robust 170F design, it delivers consistent performance and efficiency. Its durable construction ensures long-lasting reliability, making it an ideal choice for various agricultural equipment applications.

Technical Specifications

Maximum Output

4.5 kW

Max Power

3600 r/min

Rated Speed

Engine Model	170F
Displacement	210 ml
Horsepower	13 HP
