

14-Inch Oscillating Table Fan

This 14-inch table fan is designed for personal cooling. It features a multi-speed motor, oscillating function, and a safety grill.

Product Overview

Compact Cooling Solution

The 14-inch oscillating table fan is designed to provide efficient personal cooling for indoor environments such as homes and offices. Constructed with a blend of durable plastic and iron components, this unit features a stable base and a protective safety grill. Its oscillating function ensures wide-area air circulation, making it a reliable choice for daily comfort.
