

14mm Double DVD Case Black Polypropylene

This black DVD case is 14mm thick and designed to hold two DVDs or CDs. It features a clear outer sleeve for inserting artwork and is constructed from durable polypropylene to protect against damage.

Product Overview

Professional Grade Storage Solution

This 14mm double DVD case is constructed from durable, high-quality polypropylene to ensure long-lasting protection for your media. Designed with convenience in mind, it features internal manual clips for secure disc retention and a clear outer film sleeve for professional artwork display. Its standard dimensions make it an ideal choice for both retail packaging and personal collection organization.
