

15 KG Twin Tub Washing Machine

This twin tub washing machine has separate compartments for washing and spin-drying. It features a toughened glass cover and a selector for wash/spin water inlet.

Overview

High-Capacity Twin Tub Laundry Solution

This 15KG twin tub washing machine is designed for efficient and convenient high-volume laundry processing. Featuring separate tubs for washing and spin-drying, it allows for simultaneous operation to save time in busy households. The robust construction ensures long-term durability, while user-friendly manual controls provide straightforward operation for various fabric types.
