

1.5 Liter Pressure Sprayer

This pressure sprayer has a 1.5 liter capacity and is suitable for various applications such as gardening, cleaning, and disinfecting. It features durable plastic construction, a manual pump, and an adjustable nozzle.

Product Overview

Versatile Daily-Use Sprayer

This 1.5-liter pressure sprayer is a robust tool engineered for a wide range of applications, including gardening, cleaning, and sanitizing tasks. Featuring durable plastic construction and a manual pump mechanism, it allows for easy pressurization and consistent performance. With an adjustable nozzle for precise spray pattern control, it is suitable for both indoor and outdoor environments.
