Overview

Eco-Type 15kW Power Solution

This 15kW enclosed generator set is engineered for cost-effective and reliable power generation. Designed with a focus on efficiency, the unit features a robust, soundproof enclosure that minimizes noise while ensuring optimal ventilation and temperature control. Its compact, mobile design makes it a versatile power source for various professional applications.

Technical Specifications

Rated Power

15 kW

Rated Power Output

Compatible Fuel Types

NG, LPG, Petrol

Design & Build

Enclosure Features

- Soundproof design
- Ventilated housing
- Powder-coated weather-resistant finish
- Secure locking access door

Mobility & Handling

Yes

Maintenance Access

Easy access panels for routine maintenance
