

18-Inch Windshield Wiper Blade 2-Pack

This 2-pack includes 18-inch windshield wiper blades designed for optimal performance. The wiper blades deliver a reliable, streak-free wipe and feature a multi-clip adapter for easy installation on a wide range of vehicles.

Product Overview

High-Performance Visibility Solution

This 18-inch windshield wiper blade set is engineered for consistent, streak-free performance across diverse weather conditions. Featuring a durable rubber construction and a rigid steel frame, these blades are built to withstand environmental stress while ensuring clear visibility for the driver. The versatile multi-clip adapter system allows for seamless installation across a wide variety of vehicle makes and models.
