

1.8L Electric Kettle with Automatic Shut-Off

This electric kettle is designed for boiling water quickly and efficiently. It features automatic shut-off to prevent overheating and dry boiling.

Product Overview

Efficiency and Safety Combined

The KF-EK1631 electric kettle is designed for rapid water boiling, making it an ideal choice for both home and office environments. With a generous 1.8L capacity, it handles daily hydration needs with ease. The unit prioritizes user safety and convenience, featuring automatic shut-off technology to prevent dry boiling and overheating.

Technical Specifications

Capacity	1.8 L
Power Consumption	1800 W
Voltage/Frequency	AC220V 50Hz

Features

Safety Features	Automatic Shut-Off, Dry Boil Protection, Overheat Protection
