Overview

Professional Battery Housing Solution

This durable 18V Li-ion battery housing is engineered for high-performance power tool applications. Constructed from robust ABS+PC materials, it offers reliable protection for internal battery cells while supporting capacities ranging from 2.6Ah to 9.0Ah. Designed for longevity, this housing features an 800-cycle life rating, ensuring consistent performance in demanding work environments.

Technical Specifications

Battery Type	Li-ion
Voltage	18 V
Capacity Range	2600-9000mAh
Cycle Life	800

Material & Construction

Material	ABS+PC
----------	--------

Service & Quality

Warranty	12 Months
Certifications	CE, UL, RoHS, SGS, REACH

Logistics

Packaging

- 10 pcs per box
- Protective film and carton double protection
- Internal foam board for crash prevention

Shipping Options

UPS • FEDEX • DHL • TNT • EMS
