

18V Cordless Impact Wrench

This cordless impact wrench is powered by an 18V lithium-ion battery, providing extended runtime and portability. It features a high-torque motor and durable impact mechanism for efficiently tightening and loosening bolts and nuts.

Product Overview

High-Performance Cordless Impact Wrench

This 18V cordless impact wrench is engineered for professional fastening applications, featuring a durable brushless permanent magnet motor for extended service life. The tool includes an integrated aluminum gearbox and a soft-grip handle for enhanced ergonomics and control during operation. With a powerful 320N.m torque and mechanical two-speed settings, it provides the precision and strength required for demanding jobsite tasks.

Technical Specifications

Battery Voltage	18 V
Battery Capacity	1500 mAh
Charging Time	1 h

Performance Metrics

Maximum Torque

320 N.m

Torque

No-load Speed	0-2000 / 0-2900 r/min
Nut Size Capacity	M10 - M18

Key Features

Features	Brushless Motor, Aluminum Gearbox, Variable Speed, Soft Grip Handle, Automatic Nut Stop, 2-Speed Mechanical Gear
