

19-Inch Industrial LCD Monitor

This 19-inch LCD monitor features a high-strength aluminum alloy panel with a stylish design. It offers multiple installation options including VESA, wall-mount, and wall-embedded.

Overview

Industrial-Grade Display Solution

This 19-inch industrial LCD monitor is engineered for reliability in demanding environments. Featuring a robust steel chassis and versatile mounting options, it supports both VESA wall mounting and embedded installation. With high brightness, wide viewing angles, and optional infrared touch screen capabilities, it provides a flexible and durable solution for professional industrial applications.

Display Performance
