

2-Door Vehicle Window Closer Module

This window closer module is designed for 2-door vehicles. It provides automatic window closing functionality when the vehicle is locked or armed.

Product Overview

Smart Window Automation

This 2-Door Vehicle Window Closer Module is an essential aftermarket accessory designed to enhance vehicle security and user convenience. By integrating seamlessly with the vehicle's electrical system, the module enables automatic window closing functionality upon locking or arming the vehicle. It is a reliable solution for ensuring windows are never left open, providing peace of mind for vehicle owners.
