

2-in-1 Handheld Steam Mop

This 2-in-1 handheld steam mop is a versatile cleaning appliance. It features adjustable steam intensity, a detachable water tank, and a telescopic pole for extended reach.

Product Overview

Versatile 2-in-1 Cleaning Solution

The 610 model offers a professional 2-in-1 cleaning experience, functioning as both a handheld steam cleaner and a full-size steam mop. Designed for efficiency, it reaches operating temperature in just 25 seconds and provides up to 35 minutes of continuous runtime. Its high-temperature steam effectively removes stubborn stains while simultaneously sterilizing surfaces to eliminate bacteria.
