Product Overview

Convenient design for work, entertainment, and daily use.

Efficient 2-in-1 Charging Solution

This 2-in-1 magnetic wireless charging stand provides a streamlined, space-saving solution for powering your essential devices simultaneously. Designed with a sleek, compact profile, it effectively eliminates cable clutter while offering fast charging for Qi-enabled mobile phones and TWS earbuds. The stand features magnetic alignment for secure, optimal positioning, allowing users to conveniently watch media while their devices charge.
