This 2-in-1 vacuum cleaner offers versatile cleaning capabilities. It features a lightweight design for easy maneuverability and can be used as a stick vacuum for floors or converted to a handheld vacuum for upholstery and tight spaces.

Product Overview

Versatile Cleaning Solution

This 2-in-1 vacuum cleaner offers versatile cleaning capabilities, functioning as both a stick vacuum for floors and a handheld unit for upholstery and tight spaces. Its lightweight design ensures easy maneuverability, while the motorized brushroll effectively lifts dirt and debris from both hard floors and carpets. The bagless system simplifies maintenance, and the transparent dustbin allows for immediate monitoring of the fill level.
