

# 20-Inch Single-Speed Steel Mountain Bike

This MTB bike has a 20-inch wheel size and a single-speed drivetrain. Its steel frame and fork provide durability, and it features a plastic-coated steel crank chainwheel.

## Product Overview

### Robust 20-Inch Single-Speed Mountain Bike

This 20-inch mountain bike is engineered for durability and simplicity, making it an ideal choice for recreational riding. Featuring a sturdy steel frame and fork, it offers reliable performance on various terrains. The single-speed drivetrain ensures low-maintenance operation, while the dual-braking system provides consistent stopping power for enhanced rider safety.
