

2000W Sliding Mitre Saw for Woodworking

This 2000W sliding mitre saw is a versatile tool for precise and efficient cutting. It features a robust motor and sliding mechanism suitable for a variety of applications and wider workpieces.

Overview

High-Performance Sliding Mitre Saw

This 2000W Sliding Mitre Saw is engineered for precision and efficiency in woodworking applications. Featuring a powerful copper motor and a robust sliding mechanism, it offers versatile cutting capabilities for both wide and angled workpieces. Designed for professional reliability, it includes essential accessories like a dust bag and wood clamp to maintain a clean and secure workspace.

Technical Specifications

Power Rating	2000 W
Voltage/Frequency	230V/50Hz
No-Load Speed	4500 r/min
Blade Diameter	305 mm

Features

Key Features	Single Laser, Double Bevel, Sliding Mechanism, Copper Motor
--------------	---

Cutting Capacity

Cutting Capacity Matrix

Orientation	Capacity (mm)
Standard	340 x 102
Bevel/Mitre 1	240 x 102
Bevel/Mitre 2	340 x 55
Bevel/Mitre 3	340 x 40
Bevel/Mitre 4	240 x 55
Bevel/Mitre 5	240 x 40

Included Accessories

Included Items

- 1pc Dust bag
- 1pc Wrench
- Aluminum extension bar
- 1pc Wood clamp
