

200cc Four-Stroke Motorcycle

This motorcycle is a transportation vehicle powered by a 200cc four-stroke combustion engine. It features front and rear suspension, a steel frame, and lighting for safe on-road operation.

Overview

Reliable 200cc Commuter Motorcycle

This 200cc four-stroke motorcycle is engineered for efficiency and versatility, featuring a robust single-cylinder, air-cooled engine. With a 16-liter fuel tank and a 5-speed transmission, it is designed for both urban commuting and longer rides. The combination of disc front brakes and drum rear brakes ensures reliable stopping power, while its ergonomic dimensions make it a practical choice for daily transportation.

Engine & Performance

Key Performance Metrics
