Overview

Versatile 200cc Off-Road Performance

This 200cc off-road dirt bike is engineered for agility and reliability on challenging terrains. Featuring a robust 199.1cc, 4-stroke air-cooled engine and a 5-speed transmission, it balances power and control for a wide range of riders. With durable suspension, responsive disc braking, and knobby tires, it is built to handle bumps and loose surfaces with ease.

Engine & Performance

Maximum Power

11.5 kw
Max Power
