

200cc Street Motorcycle with Sporty Design

This street motorcycle is equipped with a 200cc engine. It features a sporty design with orange rims and a black exhaust system.

Overview

Sporty Performance on the Streets

This 200cc street motorcycle combines a modern, aggressive aesthetic with practical street performance. Featuring a lightweight design and optimized tire specifications, it offers excellent maneuverability for urban commuting. Its sporty appearance is enhanced by a sleek color scheme and high-visibility rims, making it a standout choice for daily riding.
