

20V Brushless Cordless Impact Wrench

This 20V brushless impact wrench is designed for automotive and industrial applications. Its brushless motor delivers high torque and extended runtime.

Product Overview

High-Performance Cordless Power

This 20V Brushless Cordless Impact Wrench is engineered for demanding automotive and industrial applications, offering exceptional torque and extended runtime. The robust brushless motor delivers up to 1600Nm of nut-busting torque, ensuring efficiency in heavy-duty fastening tasks. With intelligent overheat protection and ergonomic handling, this tool is designed for reliability, precision, and reduced user fatigue in professional work environments.

Performance Metrics

Key Performance Metrics

1600 Nm

Max Nut Busting Torque

1200 Nm

Max Tightening Torque

2300 bpm

Max Impact Rate

Technical Specifications

Voltage	20 V
No-Load Speed Range	0-1200 / 0-1700 rpm
Impact Rate Range	0-1700 / 0-2300 bpm

Features

Drive Control Modes

- Forward Mode 1
- Forward Mode 2
- Reverse Mode 2
- Reverse Mode RS

Key Features

Brushless Motor, Overheat Protection, Surface Illumination, Quick-Change Friction Rings
