Overview

High-Performance Brushless Hammer Drill

This cordless hammer drill features a high-efficiency brushless motor that offers three times longer service life and requires minimal maintenance. Designed for professional reliability, it includes an ergonomic soft-grip handle, integrated LED lighting for visibility in low-light conditions, and ECP battery protection to extend tool longevity. With versatile operational modes including drilling, hammering, and chiseling, this tool is engineered to handle demanding tasks with precision and endurance.

Performance Metrics

Rated Voltage

18 V

Rated Voltage

No-load Speed

1400 r/min

Impact Rate

4500 ipm

Drilling Capacity

Drilling Capacity

Material	Max Capacity
Concrete	22mm
Wood	28mm
Steel	13mm

Power & Battery

Compatible Battery Capacities

- 4.0Ah
- 5.0Ah

Features

Operating Modes

Drill • Hammer • Pickaxe

Key Features

Brushless Motor, Low Maintenance, Soft Grip Handle, LED Work Light, ECP Protection
