Product Overview

Professional Cordless Performance

This 20V cordless hammer drill is engineered with a high-efficiency brushless motor, designed to deliver consistent power for demanding drilling and fastening tasks. It features a versatile 13mm single-sleeve chuck and adjustable torque settings, making it suitable for a wide range of materials including wood, metal, and masonry. The compact, ergonomic design ensures user comfort during extended operation, while the included fast-charging 2.0Ah battery system provides reliable, cordless mobility for professional and heavy-duty applications.

Technical Specifications

Voltage	20 V
Max Torque	50 Nm
No Load Speed	0-480 / 0-1800 rpm
Chuck Capacity	13 mm
Chuck Type	Single Sleeve
Torque Settings	21 + 1 + 1 + 1

Power & Accessories

Included Components

- 1x 20V Battery
- 1x Fast Charger

Battery Capacity	2 Ah
