Overview

Professional Grade Impact Wrench

This 20V cordless impact wrench is engineered for high-performance fastening in demanding automotive and construction environments. Featuring an advanced brushless motor, it delivers superior efficiency and extended tool life compared to standard brushed models. The ergonomic design and variable speed trigger ensure precise control and reduced user fatigue during heavy-duty maintenance tasks.

Technical Specifications

Rated Voltage	20 V
No-Load Speed	2200 RPM
Impact Frequency	3600 IPM
Battery Capacity	4 Ah
Motor Type	Brushless

Key Features

Core Benefits

- Brushless motor for enhanced efficiency
- Variable speed trigger for precision control
- Ergonomic handle design for comfort
- High-capacity 4.0Ah lithium-ion battery
