

20V Cordless Brushless Impact Wrench

This cordless impact wrench features a brushless motor for enhanced efficiency and durability. Powered by a 20V battery, it provides ample power for automotive repairs, construction, and general maintenance.

Overview

High-Performance Cordless Impact Wrench

This 20V cordless brushless impact wrench is engineered for efficiency and durability in demanding fastening applications. Featuring a powerful 4818# brushless motor and a robust 400Nm of torque, it is an essential tool for automotive repair, construction, and general maintenance. Designed with user comfort in mind, it includes an ergonomic grip and integrated LED lighting to illuminate work zones.

Performance Specifications

Maximum Torque

400 Nm

Max Torque

No-Load Speed	2000 rpm
Motor Type	4818# Brushless Motor
Clamping Range	1/2 inch

Power & Battery

Compatible Battery Capacities

- 1.5Ah
- 2.0Ah
- 2.5Ah
- 3.0Ah
- 4.0Ah
- 5.0Ah

Rated Voltage	20 V
Charging Time	1 hour

Features

Key Features	LED Work Light, Battery Indicator, Brushless Motor, Ergonomic Grip
