

## 2.1 Channel Computer Speaker System with Subwoofer

This 2.1 channel computer speaker system delivers immersive audio. It features a powerful subwoofer and two satellite speakers for clear highs, rich mids, and deep bass.

### Overview

#### Immersive 2.1 Channel Audio

The EM-3103FST is a versatile 2.1 channel computer speaker system designed to deliver a high-fidelity audio experience. Combining a powerful subwoofer for deep, resonant bass with two compact satellite speakers for crisp mids and highs, this system is ideal for gaming, music, and multimedia applications. With a modern aesthetic featuring blue LED accents, it integrates seamlessly into any professional or home workspace.
